**Cost:** \$500

**Cost Unit:** Cost of the entire program

## Website

[http://www.alaskatechonline.com/course\\_descriptions.html](http://www.alaskatechonline.com/course_descriptions.html)

The course is designed for manufacturers, services companies, and overhaul facilities, who require their personnel to be trained in Penetrant Testing, used to locate inherent, processing or service discontinuities in nonporous materials. In addition to covering the theoretical aspects of this method, the course provides demonstrations and practical hands-on laboratory time on both portable and stationary equipment.

## Related Occupations

Inspectors, Testers, Sorters, Samplers, and Weighers
